

# Notice of Bridge and Culvert Rehabilitation Work

## Various Locations

Monday, July 17 - Friday, August 25

---

The Town of Milton's contractor (Bronte Construction) will be rehabilitating several bridges and culverts in Milton during the months of July and August. In order to execute this work safely, there will likely be temporary lane closures associated with some of this work. Please note that one lane of traffic will be maintained at all times, with two lanes open at the end of each construction day. Access to all businesses and residences will be maintained during the extent of this program. The following is a list of structures and a description of work being performed:

Structure #	Structure Name	Work Description	Anticipated Timeline
6	First Line Nassagaweya Bridge (0.6km north of 15 Side Road)	Guiderail replacement	2 days
53	Milton Creek Bridge on Highside Dr.	Concrete work (curb and sidewalk replacement) and patching of structure, asphalt pathway replacement, and fence replacement	14 days
54	Milton Creek Bridge on Woodward Ave.	Concrete work on structure	14 days
109	Southcott Drive Culvert	Guiderail replacement	2 days
112	Fourth Line Nassagaweya Culvert	Guiderail replacement	2 days

Please be advised that the work schedule is subject to change due to weather and construction scheduling. For updates, visit [www.milton.ca/roads](http://www.milton.ca/roads) and the Town's Facebook, and Twitter feeds.
