

Notice of Road Closure

Campbell Avenue East Phase 2: From 180 metres east of Glenda Jane Drive to Canyon Road

The Town of Milton's contractor (NEI Construction) will be replacing the road crossing culvert at the west end of the pond as part of the road reconstruction. The work includes replacing the existing twin corrugated steel pipe culverts with a concrete box culvert and constructing two separate storm sewer outfalls for oil grit separator units. Affected property owners will be contacted separately. Unfavourable weather conditions may influence the work schedule.

In order to complete the work in a safe and efficient manner, Campbell Avenue East will be closed in the vicinity of the existing culverts to vehicular traffic for the duration of the culvert replacement. Pedestrian access will be maintained at all times.

Monday, August 21 - Friday, September 8, 2017
