## Who can use Community Bus?

Community Bus is available to all residents, however, routes and schedules are primarily designed to serve the needs of seniors and persons with limited mobility.

## Why is the route designed the way it is?

The Community Bus route and schedule is designed to accommodate a variety of origins and destinations of particular interest to seniors. Through analysis, surveys, and public consultation, these locations were identified and a subsequent route/schedule was developed. The Community Bus route and schedule were aligned to connect with conventional buses at Milton GO.
