

## Appendix A - PIC Program

## Milton Mobility Hub Study

### Public Information Centre #2

Tuesday December 4, 2018

5:00 pm – 9:00 pm

Milton Town Hall

#### AGENDA

##### Meeting Purpose:

- Provide an overview of the work completed for the Milton Mobility Hub Study to date.
- Introduce the planning and development alternatives and guiding principles.
- Gather feedback on the alternatives and guiding principles to inform development of a preferred alternative.

5:00 pm

##### Open House

- Participants can view project boards at their own pace.
- Project staff will be available to answer questions.

7:30 pm

##### Presentation

- Overview of the Milton Major Transit Station Area Study, Guiding Principles, and Planning Alternatives (2-3)

8:00 pm

##### Workshop

- **Choose two** out of the following three discussion tables to attend during the workshop:
  - Seamless Mobility
  - Place Making
  - Successful Implementation
- Participants will have 20 minutes for discussion at each of the two stations they choose to attend.
- Facilitators will record the discussion at each station and provide a very short summary of the discussion at the end of the workshop.

9:00 pm

##### Adjourn

*Please note: A summary of the workshop will be available online when it is available.*
