

UPDATE - Notice of Construction

2019 Asphalt Overlay Program-Bronte Street South (Derry Road to Heslop Road)

The Town of Milton's contractor, Associated Paving and Material Ltd., will be resurfacing Bronte Street South. This work will include asphalt removal, road asphalt overlay and finishing works.

Residents may experience some delays when certain construction activities are being performed. There will be some access restrictions to/from various entrances to plazas on Bronte Street South depending on the construction phase. Please follow construction signage and on-site flagman instructions.

Start date: Mid-August 2019
End date: End September 2019

Construction will be completed in three phases:

Phase 1: Northbound access to the east restricted

Phase 2: Center Line access to the east and west restricted

Phase 3: Southbound access to the West restricted

Dates are subject to change due to weather and construction scheduling. For updates, visit www.milton.ca/roads and the Town's Facebook and Twitter feeds.

Wood Environmental & Infrastructure Solutions will be providing construction inspection and contract administration services on behalf of the Town of Milton.
