

Notice of Construction

Highpoint Pond Clean Out

The Town of Milton's contractor, Bronte Construction, will be cleaning out the Highpoint Stormwater Management Pond. Pond cleanouts are part of regular maintenance and are required to ensure the ponds are functioning as intended. The scope of work includes dewatering a section of the pond and removing sediment from the pond that has built up over time. This sediment will be removed from the site via trucks, using the existing access road to the pond. The location of the pond is identified in the following map:

Schedule: Monday, August 12 to Sunday, September 15, 2019

The project schedule is subject to change due to weather and construction scheduling. For updates, please visit www.milton.ca/roads and the Town's Facebook and Twitter feeds.
