# What is the #miltonyouth Project?

- Large-scale youth feedback project
- Needs, wants, interests of youth 12-19 years old
- Data for all youth-serving organizations
- Informing strategy, decision-making and future development

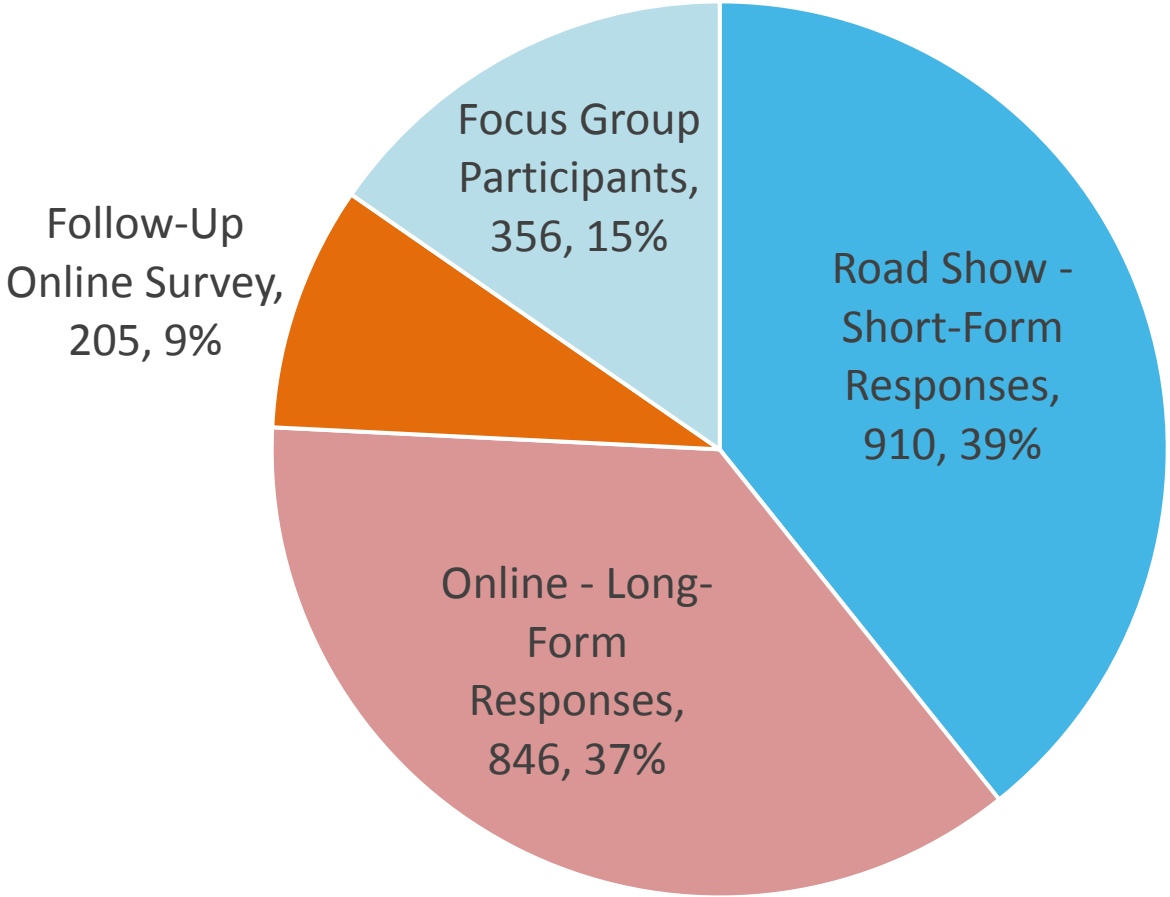

# Why youth?

# Why Youth?

- 14,940 youth (10-19 years old) = 14% of Milton's population
- Enhancing engagement and connections to support positive youth development
- Investing in Milton's current and future consumers and contributors

# Community Outreach

# Trends/Hot Topics

- Strengths
  - Nature/Parks
  - Activities available
  - Safe/Friendly/Community oriented
- Constructive
  - Milton needs more things for youth to do (paid, free)
  - Youth need a place to hang out
  - Transit needs different routes, more frequent busses, and longer hours

# Trends/Hot Topics

- Other
  - Rural Milton youth often do not identify as part of Milton
  - Youth feel Milton is less safe than it used to be, lots of concern for pedestrian safety

# Youth's Perception of their Community

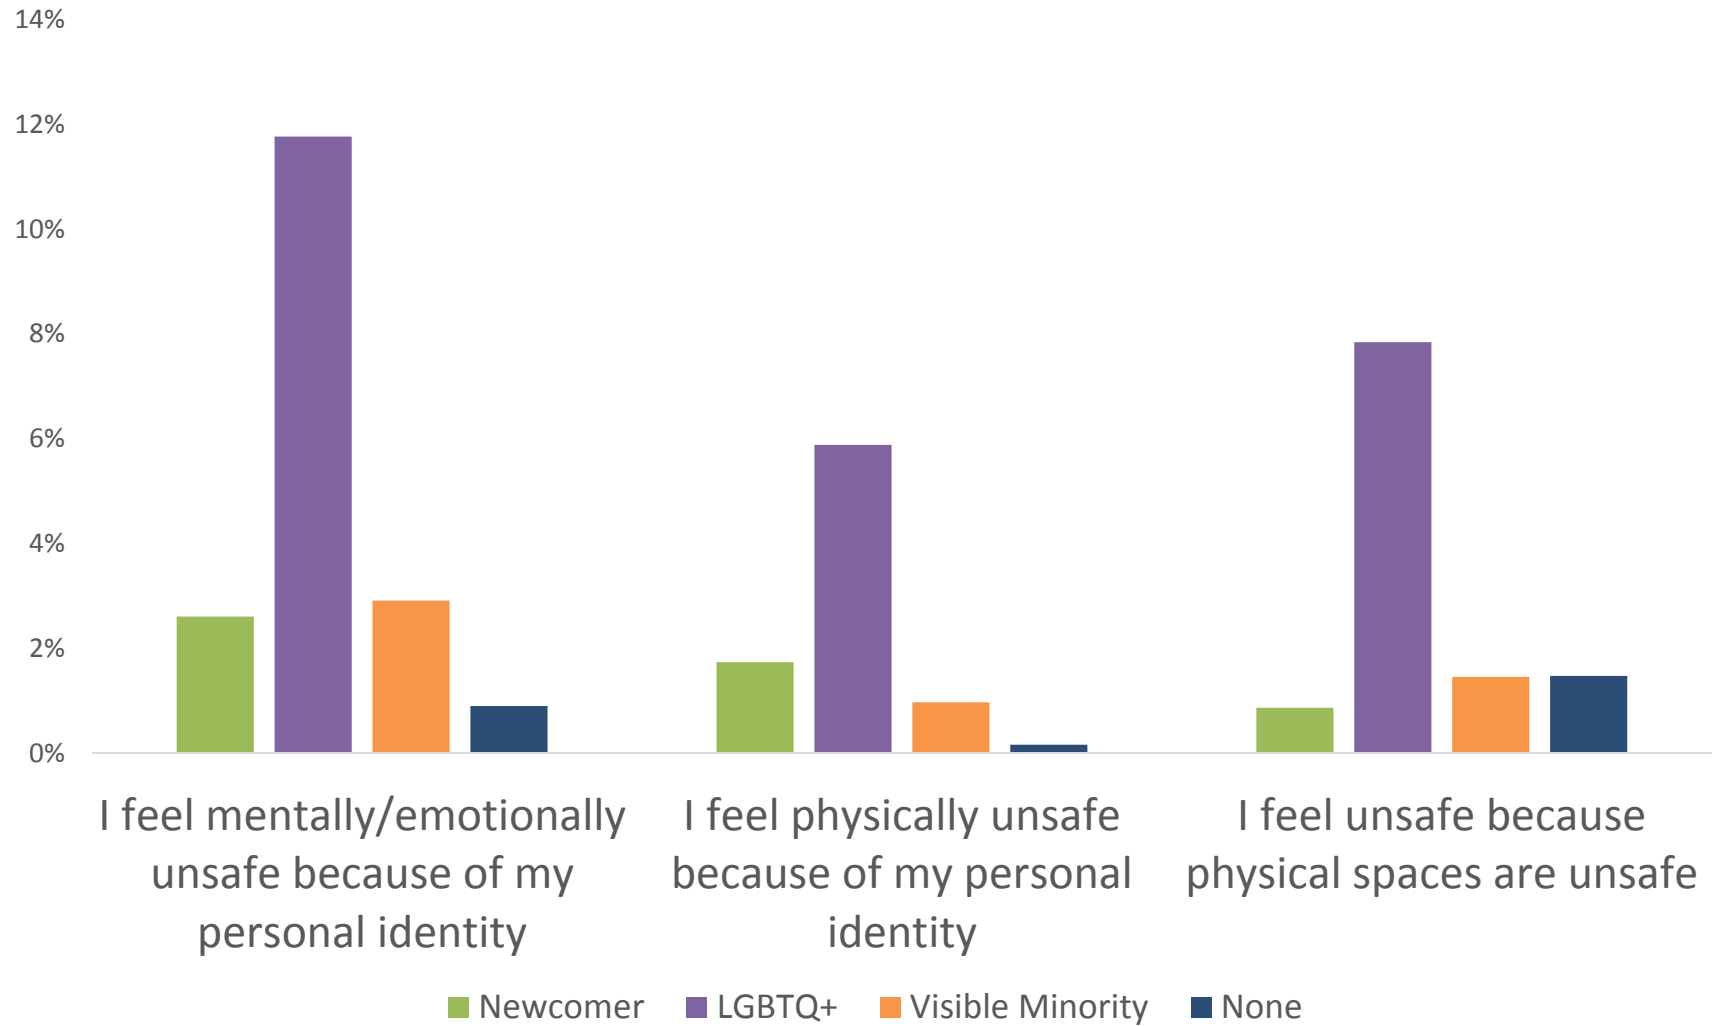

■ Youth Friendly Community

■ Feel Safe in the Community

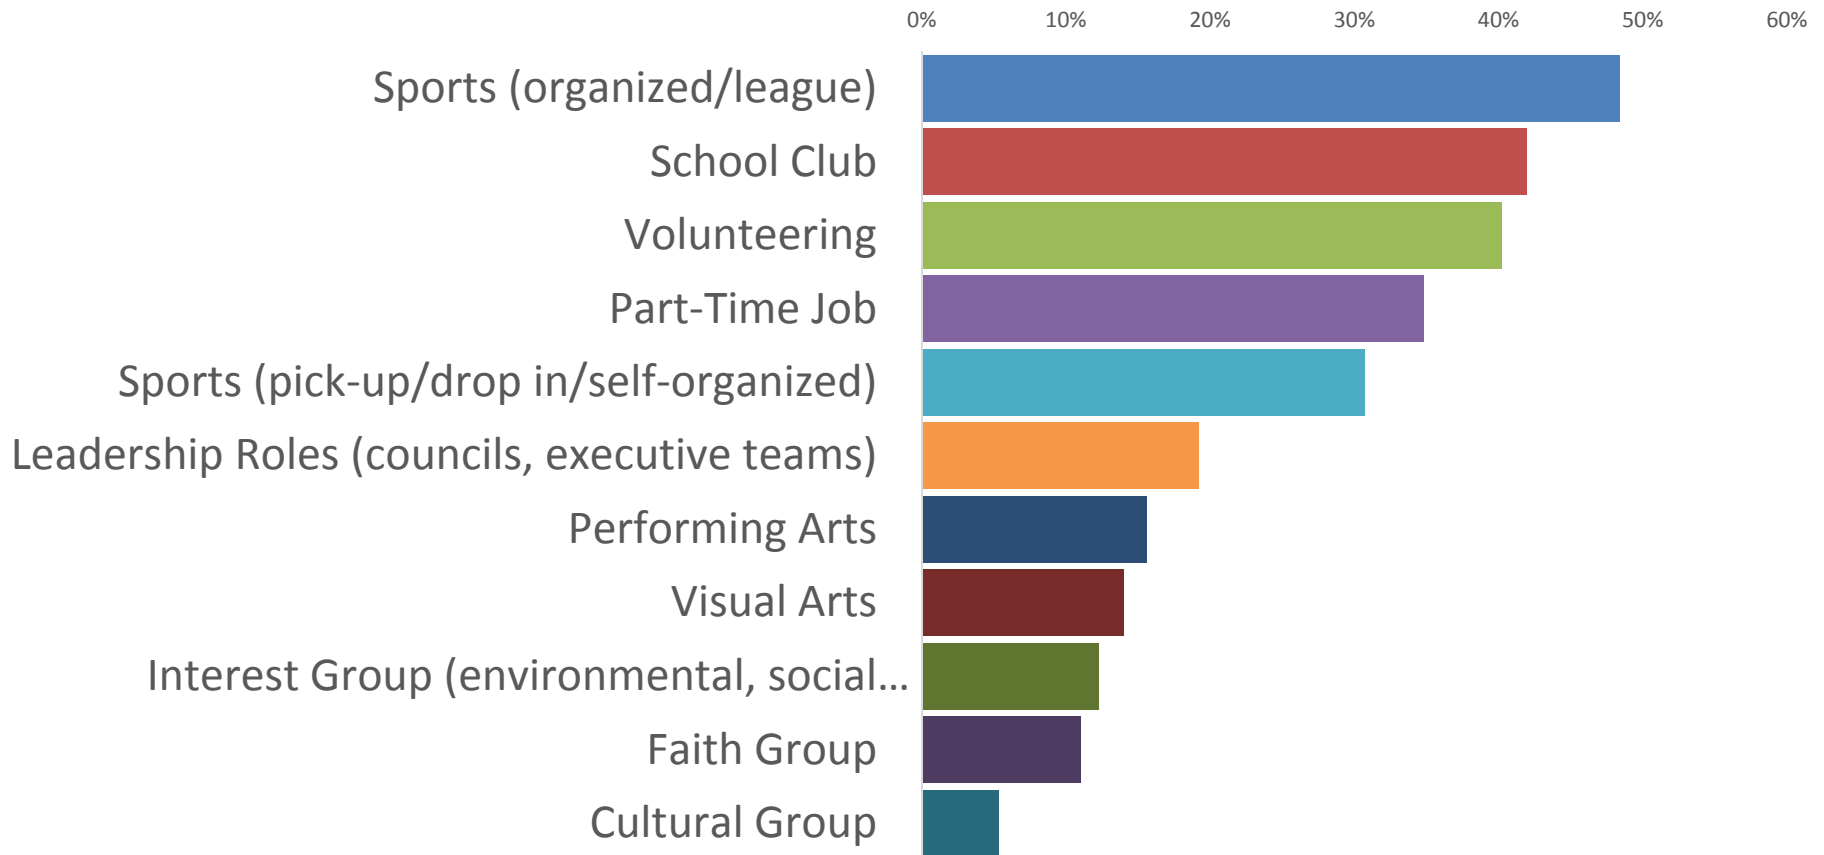

■ Feel welcome in the Community

# Sense of Safety by Population

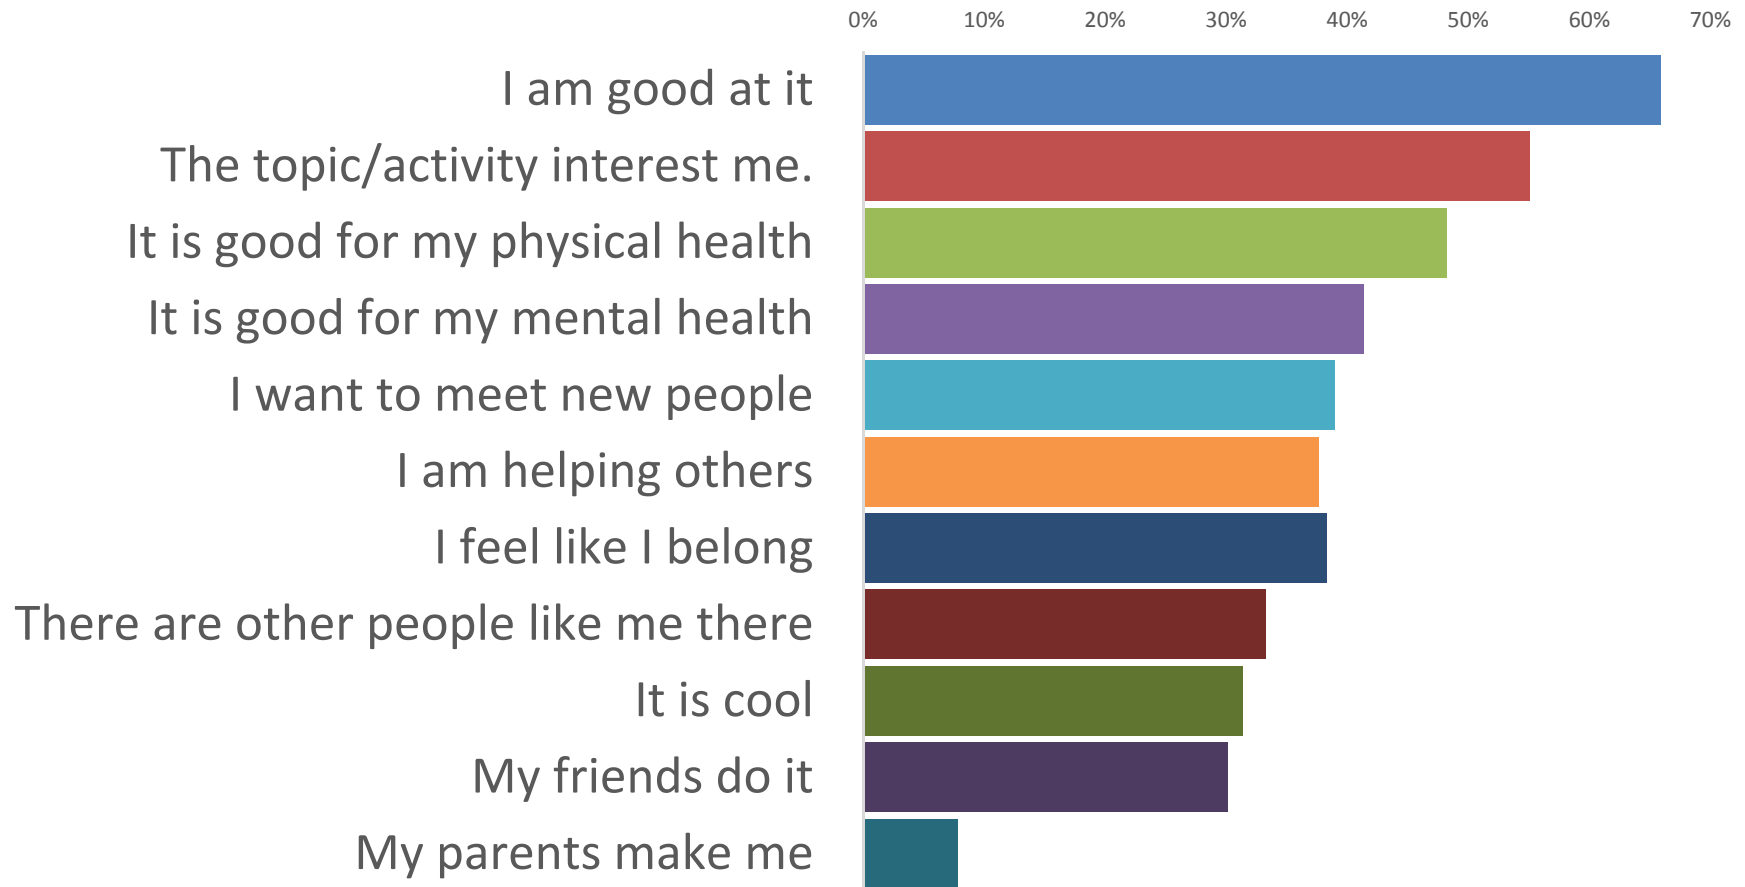

# Involvement

Participation by Category

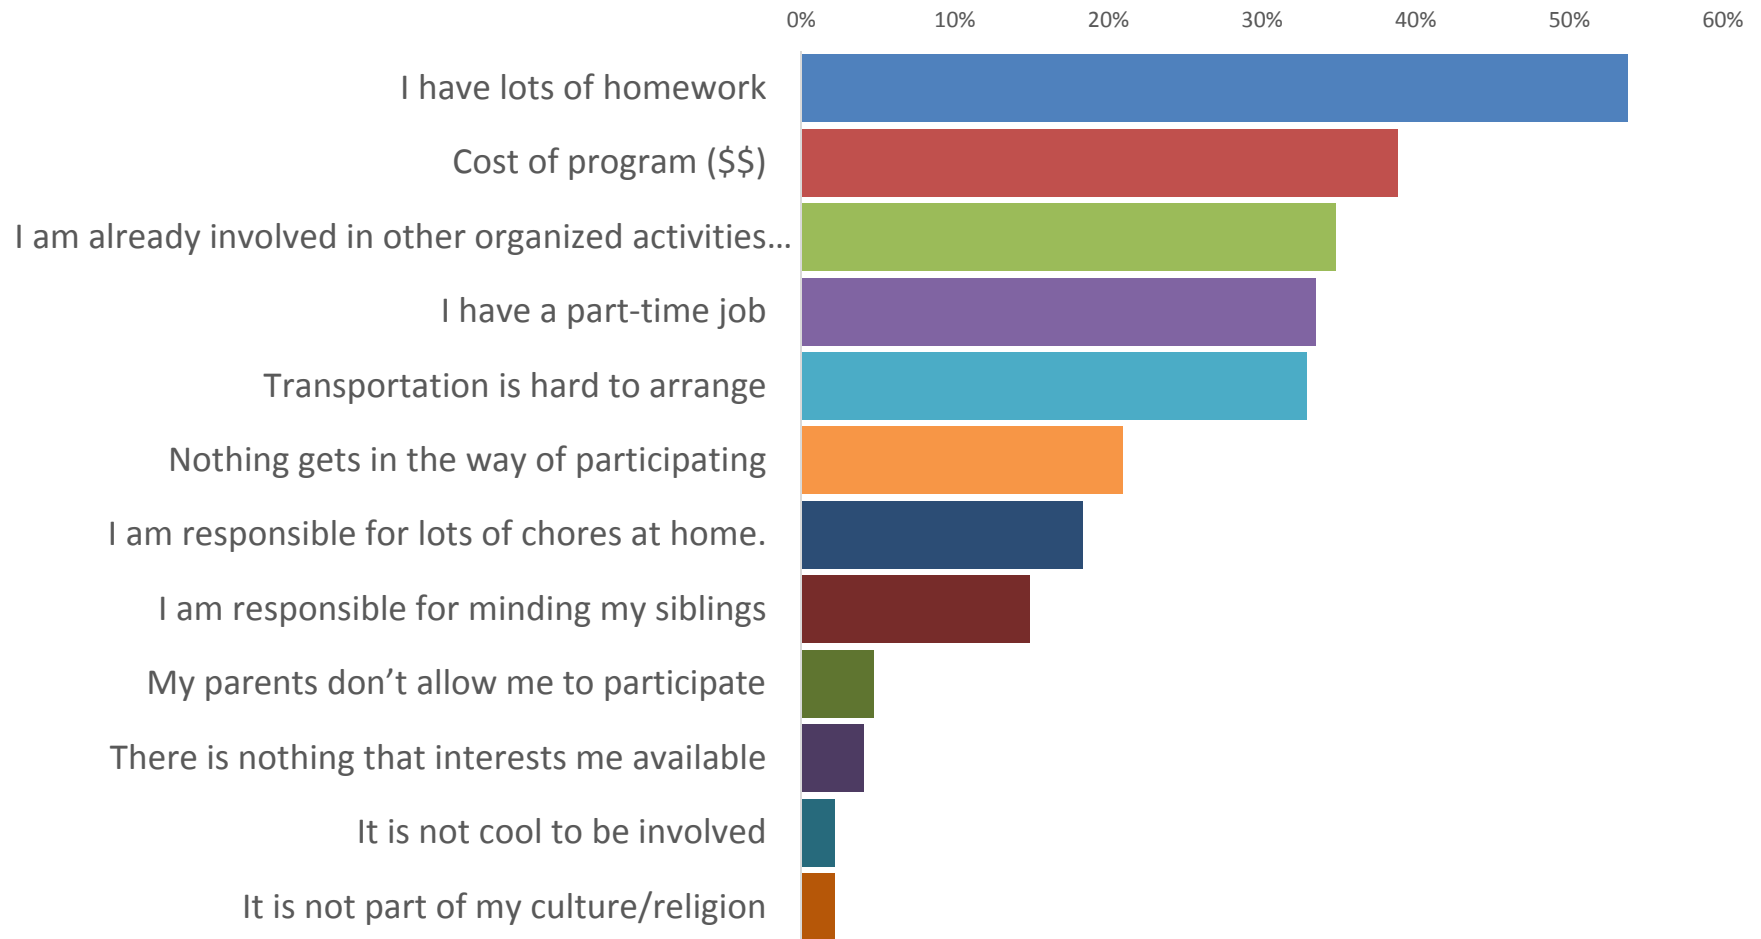

# Involvement

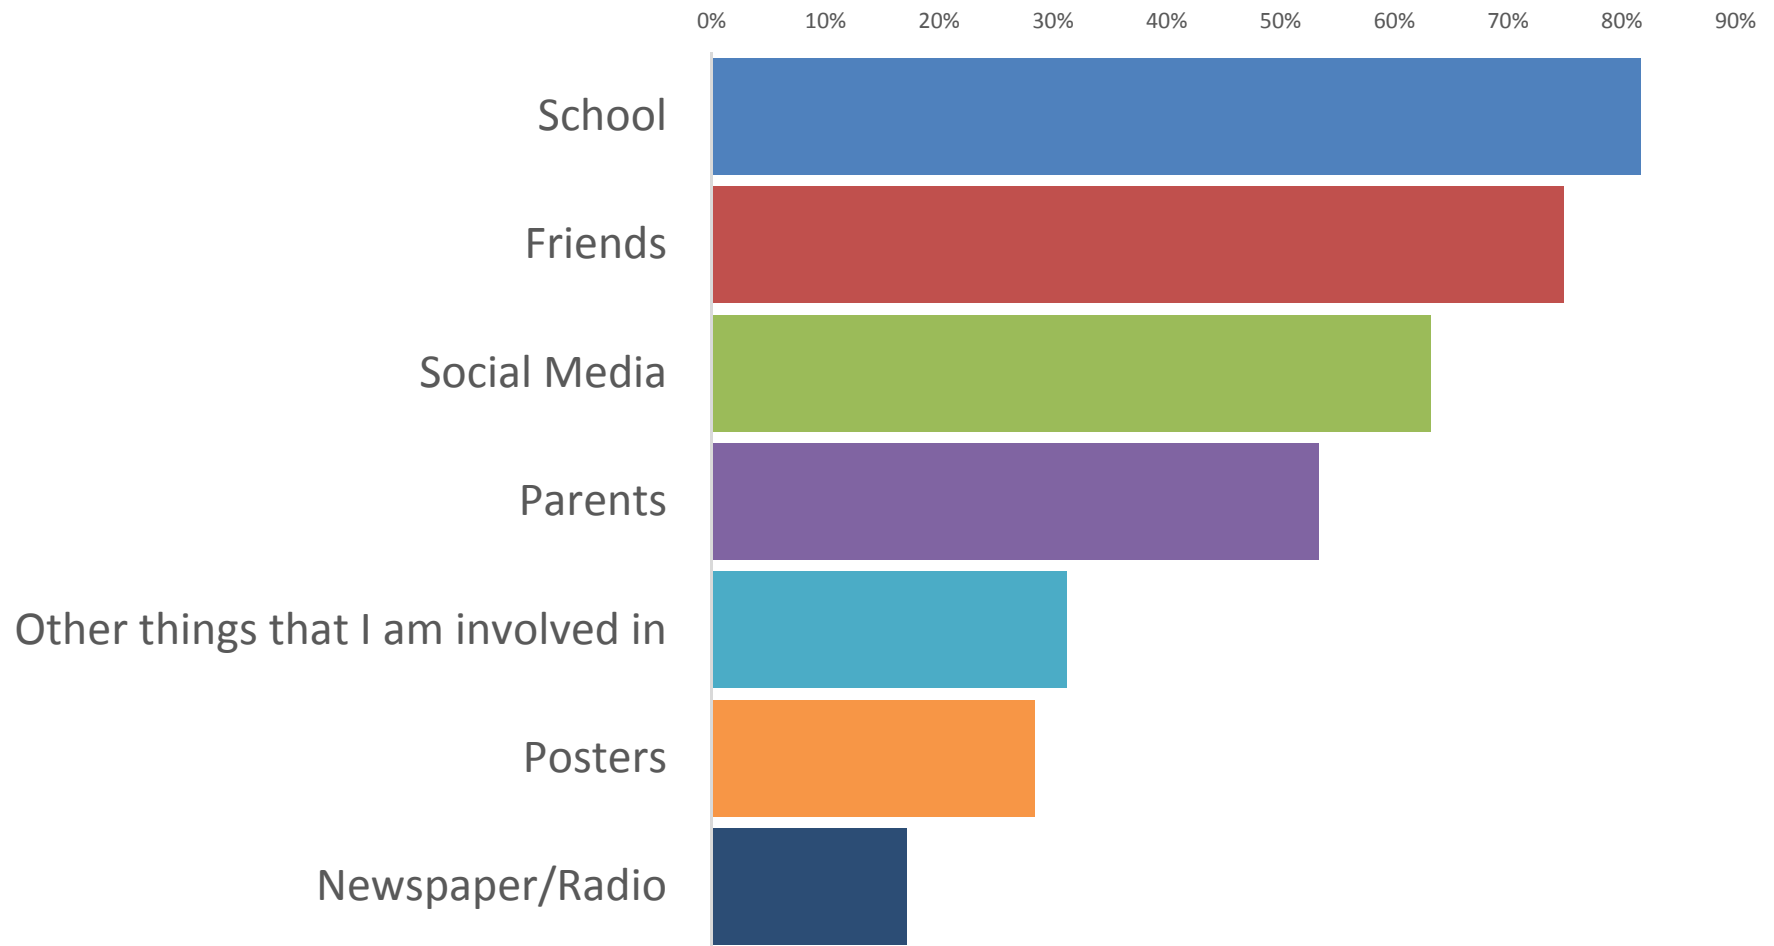

Why do youth participate?

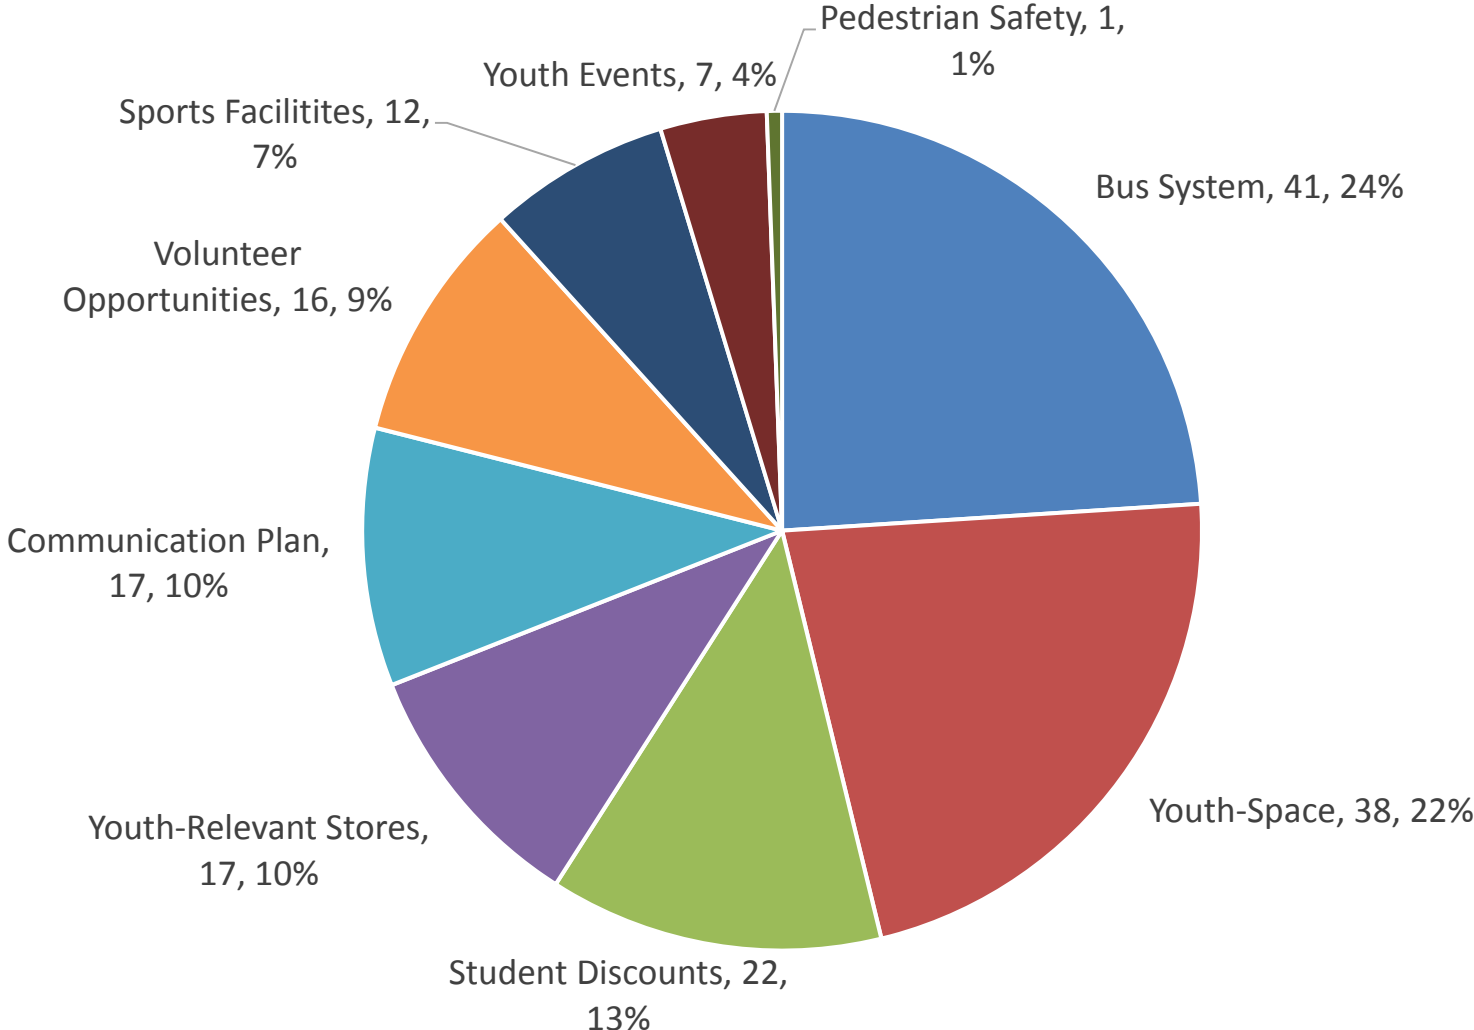

# Barriers to Participation

# Where do youth hear about opportunities?

# Priorities

# Youth Space Priorities

# Desirable Youth Activities

# Desirable Youth Events

# Using the Data: Next Steps

**A  
Place of  
Possibility**

**MILTON**

# Who will use this data? For what?

- Town of Milton
